

CREATIVE SECTOR SERVICES

Community of Practice for Equity in the Arts – helping creative sector organizations and leadership through strategies for equity in professional settings.

Community Arts Calendar – sharing creative sector events from across our community within and far beyond Nevada County.

Artist Directory – promoting Nevada County as the premier arts destination for art buyers and talent seekers in the Sierra Nevada foothills and Truckee-Tahoe region.

Calls to Artists – sharing local and statewide opportunities for Nevada County creatives.

Cultural Asset Map – sharing places and experiences that are part of our rich cultural landscape across Nevada County.

Arts Incubator – providing fiscal sponsorship to help build the capacity of cultural initiatives or emerging arts collaboratives, supporting cultural innovation and growth.

COVID-19 Resources as the pandemic continues in endemic form.

Fire Season Preparedness and Disaster Response Resources as the threat of catastrophic fire grows with each season.

Arts Sector Promotion and Communications through dedicated newsletters for Grass Valley-Nevada City Cultural District and Truckee Arts Alliance and a network of social media platforms.

Grants Workshops and pro-bono consulting

Nevada County Artist Relief Fund – raising and dispersing funds to professional artists in need.

Professional Development – year-round workshops led by thought leaders and influencers from the field, including our annual Business of Art Symposium.

Image Nation

Nisenanim-Ni

Sierra Poetry Festival

Note: As a State-Local Partner, we select our programs based upon the unique needs of our community. Our local knowledge allows us to intentionally avoid the duplication of other sustained efforts by other arts organizations or stakeholders. We call this “gap programming” which implies responding to an absence or need.
